

Nursery

Dear Parents,

As the school closes for the summer vacations on May 12, 2018, we have planned some activities for your child to enhance his/her learning skills in a fun filled way.

To encourage your child's self-esteem and feeling of creativity, help your child discover his/ her hidden talents and interest.

Keeping the same objective in mind, we have divided the homework into two categories.

1. The first category would be the **FUN ACTIVITIES**, which can be done with your children at home, so that you have the opportunity to spend some quality time with them and can be informative and interesting at the same time.
2. The second category is the **"ITS TIME TO PRACTICE"** which will help the little ones to be in continuous practice of the work done.
