# Std.-I Holiday Home Work Session 2022-23

## Dear Students,

As the holidays have begun, it's time for us to have some fun.

It's the time to read some amazing books and help mummy cook.

We will make new friends and play a lot of games,

spend time with them and know their names.

We will sleep on time and rise with the bright sun,

Summer Vacations are at our doorsteps. Holidays are a well deserved opportunity to relax and unwind by indulging in activities that are pleasurable at the same time educative. Summer is a time to relax, be productive and to get ahead.

As important as it is to rest and enjoy, it is also important to continue to learn. You can spend your time as you wish but make sure that along with enjoyment and relaxation make this summer a time to learn new things, explore the opportunities available.

To enhance your learning, we have planned enthusiastic holiday homework activities to keep your skills sharp and concepts clear. Use your energy and give a vent to your creativity. It will surely enhance your learning process.

### **GENERAL INSTRUCTIONS**

Summer Holidays Homework is an initiative on our part, to inculcate innovativeness, creativity and interest in the tasks assigned to our students. And while doing the same there are some criterion of the things that you need to keep in mind-

- **All the work should be hand-written.**
- ❖ Original drawings / illustrations and creative use of material will be appreciated.
- \* Present your work on A-4 or A-3 size sheets and put it in an attractive folder with your name and class clearly written at the top.
- \* Make sure that all syllabus done till May must be revised thoroughly in the last two weeks of June as it will help you to retain and adjust after the long break.

The work will be evaluated for all the subjects on the following parameters.

- 1. Idea and content
- 2. Presentation
- 3. Ability to answer the questions
- 4. Innovativeness.
- 5. Creativity.

#### **SAFETY PRECAUTIONS**

This pandemic has eventually brought us a healthy leading life,i.e., we started looking for our health in some prioritized manner which one day can be our key to success we can surely ask for. So some precautions that we can take while being at home during the break are-

- Practice hand hygiene frequently.
- Maintain respiratory hygiene and wellness.
- Boost your immunity through nutritious food, yoga and exercises.
- Read and Revise the Course covered in the virtual classes.
- Understand the concepts and practice questions.
- Complete your pending assignments.(if any).
- Take good care of your health and hygiene.
- Avoid heavy and oily food and increase intake of fresh fruits to keep you well energetic.
- Keep yourself hydrated at utmost times.
- Make the best of this vacation.

#### TO-DO'S

So, it's summer vacation. That can be both a boon and a bane. It is a boon because you no longer have to stay up all night, burning the midnight oil. Also, you no longer have to write those endless, boring papers. But it is also a bane because you are not sure what to do with all your extra time. Here's the list for your to-do's of this vacay-

- 5<sup>th</sup> June, 2022- "World Environment Day"- Celebrate it by taking a walk in nature. Think of ways how we can preserve it. Plant a sapling in your area and send a pic to your class teachers.
- 14<sup>th</sup> June, 2022- "Father's Day"- Make a beautiful card for your father thanking him for his love.
- 21<sup>st</sup> June, 2022- "International Yoga Day" Watch a video of yoga and try to learn some basic asanas and practise them. Sit in meditation for a while.
- Volunteer at an NGO
- Form a Hobby Club With Your Relatives and Friends
- Start a Blog or daily journals
- Learn a New Skill
- Engage in Reading
- (Alors on danse)... start a new dance
- Create a herbarium
- Visit new places around your hometown
- Take care of your friends and relatives
- Take matters into your own hands... and create something from scratch

With a note of learning and enjoying, wishing you all super safe and adventurous holidays.

Kind attention please

The school will reopen on 4<sup>th</sup> July, 2022 i.e. Monday.

The school office will remain OPEN during the summer vacation on all working days.

Clear all kind of your dues (if any) at the earliest to avoid late fine and further inconvenience.

1. Draw or Paste the Picture of your school & write the names of your teachers, subjects, class mates & your activities.  Teachers Subjects Classmates Activities  1 2 3 4 4 5 5	SUBJECTS	HOMEWORK
