

# Hike mountains, run through meadows 

## Explore forests, swim in the sea <br> Climb trees, breathe the wild air <br> Gaze at the stars, it is summer time!

Dear Student,

Holidays are the time to unwind and feed your creativity and imagination. It is a great opportunity to relax as well as fruitfully occupy Self and keep your energies well directed. Now is the time to experience adventurous sports, indulge yourself in various recreational activities, visit your family and friends and rejuvenate yourself.
But it is equally important to temper your relaxed moments with constructive and creative work which your teachers have carefully planned for you through some thought - provoking holiday homework. You may complete them at your ease, but ensure that they are completed timely.
