## Holiday Home Work-2024 Std.-V

**Dear Students,**

As the final school bell rings and the doors swing open to welcome the warm embrace of summer, it's time for us to set sail on a journey of fun and learning!

Let's make the most of this summer vacation, filled with sunshine, laughter, and endless possibilities. Together, let's sail into a season of fun and make memories to treasure forever.

### GENERAL INSTRUCTIONS

Summer Holidays Homework keeps our minds engaged and active. These tasks are designed to be both educational and enjoyable, allowing you to explore new topics and reinforce your existing knowledge. And while doing the same there are some criteria of the things that you need to keep in mind-

- ❖ **All the work should be hand-written.**
- ❖ **Original drawings/illustrations and creative use of material will be appreciated.**
- ❖ **Present your work on A-4 or A-3 size sheets and put it in an attractive folder with your name and class written at the top.**
- ❖ **Model should be made on cardboard to avoid using non-biodegradable waste like thermocols etc.**
- ❖ **Make sure that all syllabus done till May must be revised thoroughly in the last two weeks of June as it will help you to retain and adjust after the long break.**

The work will be evaluated for all the subjects on the following parameters.

1. Thoughts and Information
2. Presentation
3. Quick response to the questions
4. Innovativeness.
5. Creativity.

### SAFETY PRECAUTIONS

In our journey toward success, we've realised that prioritizing our health lays the foundation for achieving our goals. As we navigate this break at home, let's take proactive measures to safeguard our well-being and pave the way for future triumphs. Here are some precautions to consider:

- Keep Hands Clean.
- Respect Respiratory Wellness.
- Nourish Your Body with nutritious food, yoga and exercises.
- Read and Revise the Course Covered in the Schoolroom Learning.

- Master Concepts and practice questions.
- Wrap Up Pending Task. (if any).
- Prioritize Well-being.
- Avoid heavy and oily food and increase intake of fresh fruits to keep you well energetic.
- Stay Hydrated.
- Embrace Relaxation.

## TO-DO'S

Hello Summer Break. It's a period of freedom from the constraints of school routines, homework, and exams. Whether you spend your summer vacation relaxing at home, embarking on exciting travels, or engaging in enriching activities, it's a time to recharge, explore new experiences, and create lasting memories

- **5<sup>th</sup> June, 2024- “World Environment Day”**- Celebrate it by planting trees.
- **14<sup>th</sup> June, 2024- “Father’s Day”**- Make a beautiful card for your father thinking him for his love.
- **19<sup>th</sup> June, 2024 “National Reading Day”**-
- **21<sup>st</sup> June, 2024- “International Yoga Day”** - Sit in meditation for a while. Watch a video of yoga and try to learn some basic assanas.
- Volunteer at an NGO
- Form a Hobby Club with Your Relatives and Friends
- Start a Blog or daily journals
- Learn a New Skill
- Engage in Reading
- Visit new places around your hometown
- Take care of your friends and relatives

### **Kind attention, please**

With a note of learning and enjoying, wishing you all super safe and adventurous holidays.

The school will reopen on 24<sup>th</sup> June 2024 i.e. Monday.

The school office will remain OPEN during the summer vacation on all working days.

Clear all kind of your dues (if any) at the earliest to avoid late fines and further inconvenience.

SUBJECT	WORK
<b>English</b>	<p>1) My grandmother called me to the Pooja place and made me sit down on a stool. She gave me a gift of a frock material. Then she did something unusual. She bent down and touched my feet. I was surprised and taken aback. Elders never touch the feet of youngsters. We have always touched the feet of God, elders and teachers. We consider that as a mark of respect. It is a great tradition but today the reverse has happened. It was not correct. She said, "I am touching the feet of a teacher, not my granddaughter; a teacher who taught me so well, with so much affection that I can read any novel confidently in such a short period. Now I am independent. I must respect a teacher. Is it not written in our scriptures that a teacher should be respected, irrespective of the gender and age?' I did return Namaskara to her by touching her feet and giving my gift to my first student. She opened it and read immediately the title Kashi Yatra by Triveni and the publisher's name.</p> <p>Read the above paragraph and frame the following on A4 size sheets.</p> <p>a) Multiple choice questions answers (05 nos.)  b) True or False (05 nos.)  c) Fill in the blanks (05 nos.)  d) Who said to whom (03 nos.)  e) Long Answer Question (02 nos.)</p> <p>2) Make any colourful working model on any one of the topics given below using:  1) Parts of Speech                                  2) Antonyms  3) Grammar Wheel                                4) Synonyms</p> <p>3) Write 20 new words from your name initials along with their meanings and sentence framing.</p>
<b>Hindi</b>	<p>1. रहीमदास जी का चित्र , संक्षिप्त परिचय और कोई पाँच दोहे अर्थसहित स्कैप फाइल में लिखिए।</p> <p>2. चित्रों के संग कहानी के रंग - गर्मी की छुट्टियों में ढेर सारी कहानियाँ पढ़िए । जो आपकी हिंदी भाषा को पढ़ने, समझने में, लिखने में भी मदद करेगी। उनमें से कोई भी अपनी मनपसंद कहानी चुनिए उससे संबंधित तीन से चार चित्र <b>A4</b> शीट पर बनाकर या चिपकाकर उसे संबंधित कुछ प्रश्नों के उत्तर लिखिए।  (क) कहानी का नाम और लेखक का नाम ।  (ख) इस कहानी में आपको कौन- सा पत्र सबसे अच्छा लगा और क्यों?  (ग) इस कहानी से आपको क्या शिक्षा मिली?</p> <p>3. संज्ञा या मुहावरे में से किसी एक पर मॉडल बनाइए।</p>
<b>Mathematics</b>	<p>1. "Maths is everywhere in my home." Prove this statement by giving 10 examples.</p> <p>2. Make the model of: (Any One)  Shape art- Make the model of Geometrical City using 2D and 3D shapes.  OR  Make an abacus and show 9-digit numbers with their place value on a cardboard.</p> <p>3. Make a multiplication table wheel on cardboard and show the tables 2 to 20.</p>
<b>Science</b>	<p>1- Explore your imagination and generate some inventive concepts, then create a working model based on one of the options given.  a- Make a model to show how water get supplied in cities using empty matchboxes toilet paper tubes, straws etc.</p>

	<p>b- Make a model of water fountain functioning without electricity.</p> <p>c- Make a solar house working model showing conversion of solar energy into electrical energy.</p> <p>2- Collect pictures of herbivores, carnivores, and omnivores. Paste them on a chart paper to make a colorful collage. Write the name of each animal below its picture.</p> <p style="text-align: center;">OR</p> <p>Make a collage on healthy food by showing important nutrients present in our food.</p> <p>3- Create a decorative planter using things, we don't need anymore like coconut shells, discarded plastic bottles, jugs, broken coffee mugs etc. Grow a small plant in it and show it in a video to teach others about reusing and recycling.</p>
<b>S.ST.</b>	<p>1. Make a landform model using cardboard. (Options could include mountains, hills, valleys, plateaus, or even a combination of different landforms.)</p> <p>2. Creating a working model to demonstrate the rotation of the Earth causing day and night phenomenon.</p> <p>3. Make a useful thing from waste material. Creating projects from waste materials is a fantastic way to promote sustainability and environmental consciousness while fostering creativity and innovation.</p>
<b>Computer</b>	<p>1. Paste the cutting of latest news information regarding computer technology from newspaper/ magazine/ internet on colourful sheet.</p> <p>2.
