Make a video or presentation showing explanation on the following topics by taking daily life examples.</p> <p>(a) <b>Force : Contact and Non contact</b> ( with their types like muscular, electrostatic, etc.) <b>(Roll No. 1 to 14)</b></p> <p>(b) <b>Types of friction, its advantages and disadvantages and methods to decrease and increase it. (Roll No. 15 onwards)</b></p> <p>2.(a) <b>Energy for the future.</b></p> <p>Renewable energy can be a viable power source for our airports, stadiums, hospitals and homes. From an eco-friendly house to a solar brick kiln, young minds come up with the solutions that could shape the future of energy. Try find out the solution by which we can save non-renewable sources of energy by using alternative sources of energy (wind, water, solar) for our future.</p> <p>Prepare a working model on the above mentioned topic. <b>(Roll No. 1 to 14)</b></p> <p>(b) <b>Sustainability and Environment friendly practices.</b></p> <p>The modern life we have created is good for us but not for the environment. In the past few years; vehicles, factories and industries have flourished and have</p>

made the earth hotter by 1° C.

Keeping in the mind, prepare a working model on the above topic. **(Roll No. 15 onwards)**

Q1. Make a poster on 'Conservation of Resources'. Poster can depict problems of resource depletion, use of alternate resources and any innovative methods.

Q2. Data Analysis

Countries	Percentage of Area in			
	Cropland	Pasture	Forest	Other Use
Australia	6	56	14	24
Brazil	9	20	66	5
Canada	5	4	39	52
China	10	34	14	42
France	35	21	27	17
India	57	4	22	17
Japan	12	2	67	19
Russia	8	5	44	44
UK	29	46	10	16
USA	21	26	32	21
World	11	26	31	32

Study the above table and answer the following:

- Name the countries having the highest percentage of land under cropland and forest.
- Name the countries having lowest percentage of land under pasture and other uses.
- Compare land use pattern of India with Australia.
- How would you relate the land use pattern of countries with the probable economic activities?

Represent the above data in pie or a bar graph.

Q3. Revise all the chapters of PT-1 and keep your notebook updated.

**Social Science**
